

Winners announced for CANTastic 2015

The Rhinelander Area Food Pantry announced the winners of the recently completed CANTastic 2015 event. The theme for this year's event was Historic Buildings.

Judge's Choice trophy was awarded to the Ministry's Comrads for their structure of St. Basil's Cathedral.

People's Choice trophy was awarded to the RHS Building Trades for their structure of the Twin Towers.

Most Cans Used trophy was awarded to the Calvary Cannoneers for using 803 cans to create their structure of The Lincoln Memorial.

Nine teams participated in this year's event held at the Rouman Cinema. A total of 4,308 cans or boxes of non-perishable food items were used to create their structures. An additional 711 cans or boxes were used by people voting for their favorite creations, generating a grand total of 5,019 food items that will now be distributed to area families in need through the Food Pantry. In addition an anonymous donor agreed to match the value of the donations used for voting, so an additional \$711 will be forthcoming to the Food Pantry.

Guy Hansen, RAFP Executive Director was very pleased with the level of participation this year and is already looking forward to CANTastic 2016 next spring. The theme for that event will be Drive-Out Hunger and Hansen is excited about the possible cars, trains and airplanes that may be created.

People's Choice Award

Rhinelander High School Building Trades

Most Cans Used

Calvary Cannoneers
